Advocates of Election of Senator by Popular Vote Have Not Given Up—Senator Martin's Friends Favor a Convention—Attitude of the State Committee—The Senator on the Ground.

(Special to Virginian-Pilot.)

Richmond, Va., May 26.—Governor George Wesley Atkinson, of West Virginia, and Mrs. Atkinson and Miss Atkinson, accompanied by a number of the West Virginia State officials, called on Governor Tyler to-day and spent some time at the office of the Virginia Executive.

In the party, besides those named, were Secretary of State W. M. O. Dawson, Attorney General Edgar P. Ruckelshaus, Adjutant General Appleton and State Treasurer M. A. Kendall.

After some time spent at the Governor's office, Governor Tyler and Private Secretary Owen escorted the party through the State Library building and later about the square. The ladies of the party especially admired the beautiful roses in the square, and expressed the wish that the Capitol grounds at Charleston were similarly beautiful.

The party went from the Capitol to the Jefferson for lunch and then left for Old Point. They are returning from the Peace Jubilee in Washington.

SENATOR BY POPULAR VOTE. Though the advocates of a State convention for the purpose of nominating a candidate for the United States Senate have not given up all hope, they admit there is little prospect of the convention being ordered by the State Committee, which meets here the 12th of June.

The sentiment of thirty of the members, at least, is said to be dead against a convention. There may be a lengthy fight in committee and a spiny debate, but it is expected to be without fruit, for as the advocates of a convention are convinced.

Hon. William A. Anderson, chairman of the State Senatorial Conference, has not yet announced the executive committee of the Senatorial Reform League. This committee of twenty is expected to be announced Monday. The headquarters of the league will be opened at once in the Chamber of Commerce building, where rooms have already been secured.

FOR MARTIN AND A CONVENTION. Some of Senator Martin's friends are advocating the convention movement. They say that inasmuch as the fight has opened up unusually early it would be well to have it ended as soon as possible in order that other issues may be considered in the election of members of the Legislature.

Should a convention be called it will be held before nominations for the Senate and House of Delegates are made. The convention would be called for a date not later than the first week in September. It would probably be held in August.

NOT LIKELY TO YIELD. It does not appear as yet that the sentiment among the members of the committee is sufficiently pronounced as to justify the prediction that a convention will be ordered. Leaders who have great influence are still contending that the committee has no authority, in face of the action at Roanoke, to call a convention for the purpose of nominating a candidate for the Senate.

It is possible, but not probable, however, that by the time the committee meets Mr. Martin's supporters may agree to the convention proposition in order to settle the question as early as practicable.

Senator Thomas S. Martin has returned to the city and was in his rooms at Murphy's Hotel to-day. Mrs. Martin is back in Richmond.

The Senator was called upon by a number of his Richmond friends. He is greatly pleased with the action of the Central Trades and Labor Council in endorsing his candidacy. The Senator will write the Council a letter acknowledging the receipt of the resolutions.

There is considerable interest manifested in Richmond in the result of the election held in King William, King and Queen, Essex, Mathews and Middlesex on the question of subscribing to the stock of the proposed Tidewater Railroad.

Gloucester has already voted favorably upon the proposition.

Hon. Geo. D. Wise, Mr. Miles M. Martin and Mr. H. D. Elchenberger have returned from their canvass in behalf of the railroad. News received here to-day indicate that all the counties, with the possible exception of King William, have voted for the railroad.

The West Point merchants made a vigorous fight in opposition and have probably defeated the scheme in their county. If this should prove to be true the contest will be kept up and another effort made in King William next fall.

ELECTRIC RAILWAY—TIMBER LAND SOLD—NARROW GAUGE—ACCIDENT—HY-MENICAL.

Petersburg, Va., May 26.—The work of laying the track of the new street electric railway on Washington street is being pushed as rapidly as possible. The track has been laid on one side of the street nearly to South street, and motors for the cars arrived here yesterday morning. It is understood that there will be fifteen cars on the line. Six of these will be the open cars formerly used on the electric railway here, which are now being overhauled and repainted.

PURCHASE OF TIMBER LAND. Mr. R. D. Trench, postmaster at Jarratts, Sussex county, has purchased the Harrol tract of timber land on the Atlantic and Danville railroad near Mason's depot. Mr. Trench is having a mill built at Jarratts and looking after machinery for his new mill.

A CHILD'S NARROW ESCAPE. Yesterday morning little Edna May Dillon, whose parents reside on Farmer street, was run over during the excitement of the alarm of fire in that vicinity by a city man on horseback. Dr. R. H. Jones was called to attend the child, but on examination found that it had suffered no injury.

A PAINFUL ACCIDENT. Mr. J. J. Westmoreland met with an accident yesterday afternoon about 4:15 when he was unloading from his wagon a box weighing at least one thousand pounds containing a large marble base when the box slipped and cut off the end of the forefinger on his left hand.

MATRIMONIAL. Miss Addie Simmons, of this city, and Mr. Emmet Jackson, of Prince George county, will be married at the residence of the bride in this city, on the 31st instant.

FRANKLIN COUNTY.

SOUTHAMPTON ELECTS ENTIRE DEMOCRATIC TICKET. (Special to Virginian-Pilot.)

Boykins, Va., May 26.—A small vote was polled at this precinct yesterday. There was no confusion. With the exception of the office of sheriff, there was no opposition to the regularly nominated Democratic candidates. In the case noted, W. N. Sebrell, calling himself an independent and yet advocating Republican measures and receiving public Republican endorsement, ran against J. W. Williams. The first named received 127 votes; the last, 213. The following is the ticket as it appeared yesterday:

Treasurer—L. R. Edwards, Democrat (incumbent), 351.

Sheriff—J. W. Williams, Democrat (incumbent), 243; W. N. Sebrell, independent, 127.

Commonwealth's Attorney—W. J. Sebrell, Democrat (incumbent), 218.

Clerk Circuit Court—L. A. Gay, Democrat (incumbent), 352.

County Court—B. F. McLeone, Democrat (incumbent), 353.

Commissioner of Revenue—District No. 1, A. F. Cobb, Democrat, 352; District No. 2, S. B. Drewry, Democrat, 354.

BOYKINS DISTRICT. Supervisor—T. J. Powell, Democrat (incumbent), 351.

Overseer of the Poor—E. L. Feltz, Democrat (incumbent), 358.

Mr. R. F. Barham failed to send his name in time to appear on the printed ticket. This accounts for his small vote.

FARMVILLE.

STATE FEMALE NORMAL SCHOOL GRADUATES—HOME MISSION SOCIETY.

Farmville, Va., May 26.—The State Female Normal School will close its fifteenth session next Wednesday, the 31st instant. The meeting adjourned last evening, and the delegates, officers and visitors returned to their respective homes.

NEWPORT NEWS.

Democrats Carry Every Ward Except One.

Bonds Voted For Street Paving—Cry of Fraud Raised in Warwick—Democratic Landslide in Elizabeth—Both City County—Other Counties.

Newport News, Va., May 26.—The Democrats carried every ward except one in yesterday's election to choose seven men for the Common Council. This one ward is the Sixth, which for the first time will be represented in the Council for the next two years by a Republican.

Mr. James M. Curtis, who had no opposition for city treasurer, was, of course, re-elected and will serve for the next three years.

Following are the Councilmen elected:

First Ward—J. J. Thomas.

Second Ward—F. J. Lenz.

Third Ward—E. A. Burcher.

Fourth Ward—Dr. W. F. Cooper.

Fifth Ward—John B. Stone.

Sixth Ward—W. C. Wilkie.

Seventh Ward—James F. Doherty.

The election held yesterday to determine the wishes of the people in the matter of issuing bonds for the amount of \$90,000 for street paving carried favorably and at its next meeting the Council will take steps to advertise for bids on these bonds.

WARWICK COUNTY.

There's going to be war in Warwick county. Yesterday's election was a Waterloo for the Independent Democrats and there is sure to be several contests.

The cry of fraud was raised everywhere in the county and the regular Democrats allege that the election in Bloodfield, officially known as Ivy precinct, was "rotten."

The leading county Democrats assembled at the courthouse here this morning and talked over the situation. The reverses in the fight for sheriff and commissioner of revenue surprised all of the regulars and it is probable that the next few days will see preparations making for contests.

Mr. W. C. Burnham was elected clerk of courts, having no opposition.

Mr. J. St. George Wilcox easily defeated Mr. D. Wright for Commonwealth's Attorney, his majority being 423.

Mr. R. S. Curtis had no opposition for county treasurer.

Mr. S. S. Curtis defeated Mr. J. F. Bonwell, according to the returns, for county sheriff, his majority being 264.

For commissioner of the revenue C. H. Burnham received a majority of 85, the other candidates being W. Y. Jones and R. A. Nelson colored.

It is impossible to give the full list of minor officers filled by yesterday's county election, but the following vote by precincts, as far as could be obtained, tells pretty accurately the story of the election.

ELIZABETH CITY COUNTY.

The election yesterday in Hampton and Elizabeth City counties resulted in the greatest Democratic landslide in local history. For the first time in years the Democrats elected all but one officer. The successful Republican is Captain Jesse Jones, who was re-elected to the office of county treasurer. Mr. Segar Whiting was his Democratic opponent.

The work of counting the ballots consumed all of the night and at 10 o'clock it was 9 o'clock this morning when the last ballot was counted.

The vote was the largest ever cast in the county, there being 2,554 ballots in all.

The election at Williamsburg yesterday for county and city officials passed off quietly. The total vote polled in Williamsburg was 267, the largest vote in years. In the upper part of James City the vote was light; in the lower part quite heavy.

The following are elected: Sheriff, M. R. Harrell, of Williamsburg; (Independent Democrat) Clerk of Courts, T. P. Gaddy; Commonwealth's Attorney, R. T. Armistead; Treasurer, T. G. Wayne; Commissioner of the Revenue for James City, S. S. Hankins.

Supervisors in James City were elected as follows: Jamestown District, Arthur Denmond; (Independent Democrat) Storehouse, B. W. Vaden; Powhatan, John A. Barnes.

YORK COUNTY. Returns from York county indicate that the whole Democratic ticket is elected by a good majority. The following were the nominees:

For Sheriff, Thomas Phillips; Treasurer, George L. Smith; Commonwealth's Attorney, J. P. Hubbard; County Clerk, Charles Shields; Commissioner of Revenue, George E. Bryan.

The Fair Ground Must Remain Dry.

Circuit Judge Prentiss Confirms County Judge Kilby's Refusal of Liquor License—Corner Stone Laid—Military Association.

(Special to Virginian-Pilot.)

Suffolk, Va., May 26.—The Fair Ground is going to stay dry for a while. Circuit Judge Prentiss to-day confirmed a decision of County Judge Kilby, denying applications for liquor licenses of all the bar-room proprietors over there.

The Fair Ground is Suffolk's most populous suburb. It lays along the thoroughfare between the Norfolk and Western and Suffolk and Carolina railroads, embracing intersecting streets. There were seven saloons in operation before May 1st. One witness said on the stand to-day that since liquor was taken off the Fair Ground it looked like North Main street on Sunday afternoon.

THAT SETTLES IT. In the County Court the fight was made on William D. Boyett's application. To-day the wets banked on getting a license for Wyckliff T. Lipscomb, whose store is just over the town line. Lawyer S. E. Everett and Captain C. H. Causey appeared for the applicant, and Judge R. H. Rawles looked after the other side. The applicant had a petition signed by many citizens praying the court to issue the license.

THE DECISION. Judge Prentiss prefaced his remarks by saying the question had been frequently contemplated by him in private and official life. He did not view it as a religious or moral question, but as a matter of public policy.

Among the reasons advanced for confirming the lower court were: the location of Lipscomb's store on a much traveled thoroughfare; the absence of a side-walk on the opposite side of the street; and the character of contiguous population. He said the Fair Ground as a whole had been a blot on the town, a disgrace to a civilized community.

CORNER STONE LAID. The colored Methodists to-day had a big time. There was a corner-stone laying, preceded by a parade which was headed by Holleman's brass band. It was Little Aid A. M. E. Church, one of whose corners was braced by a box containing coins, documents and various other articles of interest. There was a sermon before the other exercises.

Robert M. Holland, of No. 5, Church street, Suffolk, was master of ceremonies. Professor Wilson, of Africa, but now of Kittredge, N. C., made the address, which attested considerable thought. The exercises were in charge of Silver Church Lodge, No. 1495, G. U. O. F. Rev. Dr. S. L. Newby is pastor of Little Aid Church.

FRATERNAL INSURANCE. Treasurer George Lawshe, of Nansemond Council No. 976, Royal Arcanum, to-day paid Mrs. Margaret T. Kilby \$2,000. That was the amount of insurance in the order carried by the beneficiary's husband, the late Wallace Kilby. Mr. Kilby died May 6 and death proofs were sent away May 8.

MILITARY ASSOCIATION. A temporary organization, whose object is the establishment here of a military company, was effected to-night at Armory Hall. Colonel R. S. Boykin was made chairman and John C. Holaday secretary. A committee of six was appointed to get members. Thirteen were present to-night who are willing to join. There will be another meeting next Friday, when others will join.

PROPERTY CONDEMNED. The court commissioners appointed to condemn property through which the proposed extension of Bank street will pass met to-day and said it would hurt adjacent realty to the sum of \$60. The commissioners were W. H. Jones, Jr., chairman; J. E. Booker, Irving Truitt, R. F. Harrell and W. J. Oliver. The lawyers were G. S. Gernard, Petersburg.
